***Homeowners' Association, Inc.***

Dear Homeowner/Resident,

At the last Board meeting Management presented the First Supplemental Certificate and Memorandum of Dedicatory Instruments that spoke to painting of bricks on homes in the community. Such policy was reviewed and approved and recently has been adopted and recorded and is now an official policy for the Association. At your convenience visit the Associations website at [www.riverparkplacehoa.com](http://www.riverparkplacehoa.com) to view them under the Documents tab.

If you have any questions regarding them please contact Ryan Smith, the Association Manager at [Ryan@LegacySouthwestpm.com](mailto:Ryan@LegacySouthwestpm.com).

Sincerely,

Retreat at River Park Place Board of Directors
